SPECIAL NOTICES.

A New and Grand Epoch in Medicine. MR. MAGGIEL is the founder of a new Medial System! The quantitarians, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extraor linary Pills, and two great specifics of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Maggiel's Pills and Salve, have opened the eyes of the public to the inefficiency of the (so called) remedies of others, and upon which people have so long blindly depended. Maggiel's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Maggiel's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is fee-Pursuant to a time-honored custom, our the medicines very desirable for the wants of carriers will this morning present their An- delicate females. cures the most virulent sores with a box or so the most lucrative Medical Practice in the South of his wonderful and all-healing Salve. These ! has at last consented to allow several of his most esteemed remedies to be prepared and sold as proprietary medicines. This resolution has been engendered by the repeated solicitations of those who have experienced the benefit of his remarkable professional skill, and by the impossibility of giving especial attention to each of the written applications made to him for preecriptions by those whose pecumary circumstances or business habits, proclude the possibility of applying in person to him THE PUBLIC

May rest assured that the manufacturers spare neither pains nor expense in the preparation of these remedies. They are made of the very best medicines known, in a highly concentrated form, upon strictly scientific principles.

It will also kill Itch and other local vermin which
prey upon the skin. It softens and detaches the
excrementitious matters deposited upon the skin; heals the cracks, blisters, and pimples, and renders the cutaneous surface smooth and pliable. It has been used by Dr. Gilbert with most satisfactory sults, for many years. It is offered for sale, in this style, from the firm conviction that it must necessarily meet with the hearty approbation of those who

make use of it.

Full directions for the method of using these remedies, a plain and accurate description of a number of the different varieties of skin diseases, and many valuable suggestions in regard to their cure, will be found printed on circular accompanying each package. These suggestions are the fruit of most ample experience acquired by Dr. Samuel Gilbert during his extraordinary professional career in the treatment of this class of diseases in the cities of Membris New Orleans and New York and with phis, New Orleans and New York, and will, it is s expected, enable most unprofessional persons to treat their own cases with much greater success than that which usually falls to the lot of ordinary physicians.
